FOR IMMEDIATE RELEASE

Technical Meeting – September 2016 IMA® Inland Empire Chapter

Rancho Cucamonga, CA, August 15, 2016 – The [IMA®](#) Inland Empire Chapter is proud to announce our September Technical Meeting. The next meeting will take place on Thursday September 15th, 2016.

This month we welcome Randy Powell. Randy will be presenting “Success Through Extraordinary Performance”

Randy is a high-energy speaker motivational speaker, communicator and author. He has written several articles and is a published author with two current book projects under development. Randy often speaks to corporations, associations and civic groups while managing to coach an emerging speakers and business professionals.

Randy spent 25 years in the corporate world working for the federal government, Northrop Grumman, Fleetwood Enterprises, and Miller Brewing Co. He is also a retired MSgt with the Air Force Reserves.

Why should anyone care about becoming an extraordinary performer?

Extraordinary performers do more, become more, and get more out of life. They usually achieve greater success and live their dreams more often than others... Imagine if we had more people in our work forces and lives that were extraordinary performers.

This presentation is based on the premise that success doesn't have to elude anyone and that success is defined by each individual. Once a person truly understands the basics of achieving success, they can design their way toward achieving their biggest dreams with greater confidence. Randy focuses on sharing his formula for becoming an Extraordinary Performer.

We will discuss a 4 step program of how to:

- Get promoted
- Start your own company
- Lead rather than be led
- Create greater opportunities
